

# The Ideal Interior Shade To Filter Natural Light

## With Mastershade® Interior Screens

MERMET

The **MASTERSHADE®** ISC Interior screen system from **Sunair®** is the perfect solution for maintaining shade and comfort in your home or office. The ISC **Mastershade®** dramatically decreases heat and glare caused by the sun. Our screens are the ideal solution for solar protection, shading or total black out by controlling or blocking the sunlight that penetrates your windows and doors. Our shades also protect your furniture, curtains and floor coverings! Imagine sitting at your computer or watching TV without being disturbed by too much sunlight and still having a view of the outside. The **Mastershade®** is available in hundreds of fabric colors and is operated either by a motor or manual controls.

**SUNAIR®**  
AWNINGS & SOLAR SCREENS

[www.SunairAwnings.com](http://www.SunairAwnings.com)

Enjoy the sun when you want it and shade when you need it with the **Mastershade®** ISC Interior screen system. Our screens will significantly reduce indoor temperature while lowering cooling costs by blocking the sun's rays. Depending on the type of fabric used and size of the window, you may realize a reduction in air-conditioning costs. **Sunair®** has three ISC Screen models to fit your needs, depending on the size of the window.

#### ISC6000 & ISC6500

Max width 12 ft.  
Max drop 14 ft.

#### ISC7000

Max width 14 ft. / 40 ft.  
Max drop 14 ft.

**Note:** Max drop depends on size for all models above.  
Wider widths are available for the ISC7000 with splits.

**SUNAIR®** only offers the best mesh for your screen. There are different mesh fabrics available offering both exceptional transparency and sun blocking capabilities. Our mesh patterns vary from 1 –10% open to completely opaque for room darkening purposes. Ask your **SUNAIR®** dealer which mesh fabric is best for your application.

**SUNPROOFING AMERICA!™**

ISC6000 with Pull Chain

3" Curved Fascia

Color Matching External Hem Bar

3" Square Fascia

Color Matching Bead Chain

4" Curved Fascia

Color Matching End Cap

4" Square Fascia

## MOTOR OPTIONS

SOMFY MOTORS feature either a wall switch or an integrated radio receiver that allows you to operate the shade by remote. The optional "Chronis-Lite" sun sensor will lower the shades automatically when shade is needed.
